

Ultra-Kleen™ 540

Food Grade Grease

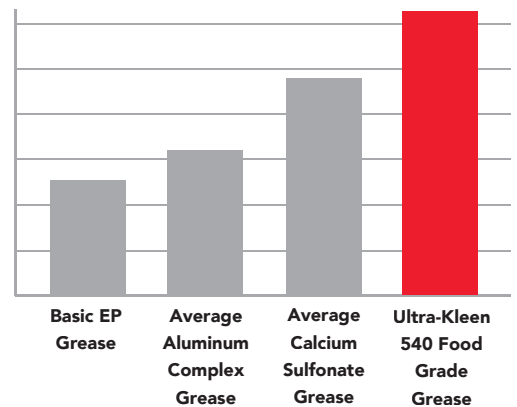

Engineered for the daily demands of food processing facilities.

Ultra-Kleen 540 Food Grade Grease is a high performance food grade lubricant engineered to withstand severe loads and a variety of operating environments. Our calcium sulfonate thickener provides stability in the presence of water, brine, acids, alkalinity and other contaminants, making Ultra-Kleen 540 ideal for most food processing equipment applications including mixers, blenders, portioning/dispensing units and conveying systems. It also has excellent performance in filling, bottling and canning machines, packaging systems and material handling equipment.

BENEFITS

- **Maximum protection from extreme pressure wear**
- **Optimized thickener formulation resists water ingress & seals out moisture and contaminants**
- **Prevents rust & corrosion**
- **Heavily resistant to oxidation to ensure long grease life**
- **Highly shear stable and resistant to oil bleed**
- **Excellent for high temperature applications**

Load Carrying Performance

UK 540 FG Grease exhibits best-in-class protection from extreme pressure and shock loads

ULTRA-KLEEN™
Food Grade Lubricants

Ultra-Kleen Food Grade Lubricants feature high purity, non-toxic base oils and engineered additives to ensure optimum equipment performance while meeting or exceeding the safety guidelines of the food industry. The Ultra-Kleen product family includes a full line of food grade lubricants covering a wide range of applications including hydraulic systems, compressors, gearboxes and bearings as well as specialty applications such as freezers, ovens, chains and pneumatics. Our NSF registered and Kosher certified products keep your operation running smoothly. We are a manufacturer of ISO 21469 certified lubricants.

About Hydrotex

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

Ask your Hydrotex representative how a partnership with Hydrotex can provide the lowest annual sustainable cost of lubrication.

- Improve Reliability
- Increase Uptime
- Optimize Efficiency

The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.
