

# Ruby-Tac™ 220

*Multi-Purpose Grease*

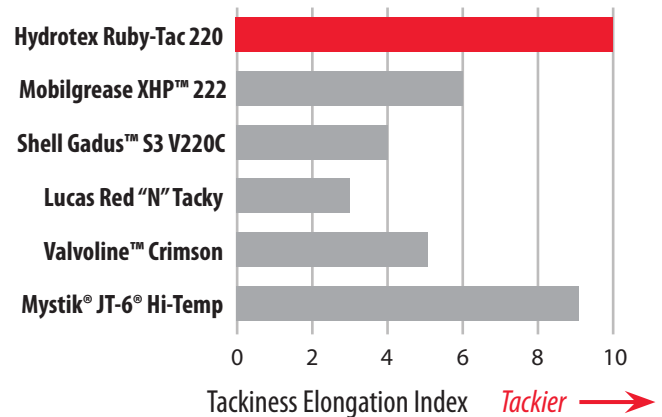

## Farm Tough.

You know what you need in a grease: tough, rugged, and dependable. Something that can handle anything that gets thrown at it. Ruby-Tac 220 protects your tractors, off-road equipment, and trucks with exceptional anti-wear and extreme pressure (EP) performance. Its excellent thermal and mechanical stability extends lubrication intervals. Ruby-Tac 220's superb tackiness and resistance to water washout keep it in place to protect your equipment from the elements. A true blend of performance, functionality, and value, you can depend on Ruby-Tac 220 to keep your equipment going strong.

### BENEFITS

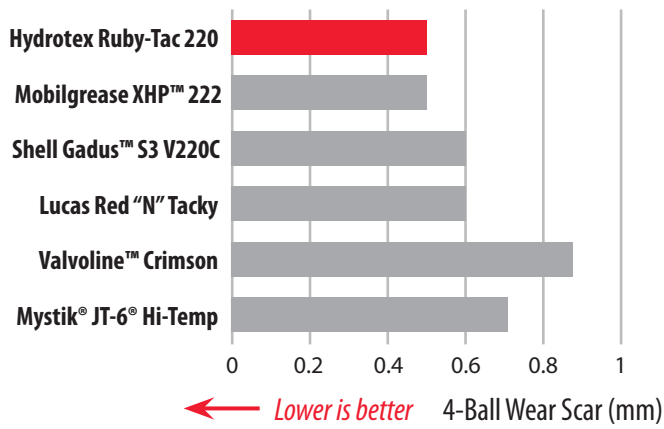

- Extreme-pressure and wear protection
- Superb resistance to water washout
- Mechanically and thermally stable
- Just the right amount of tackiness
- Multi-purpose formula simplifies operations
- Excellent rust and corrosion protection
- Good pumpability
- NLGI GC-LB Certified (NLGI #2)
- Available in NLGI #2 & NLGI #1

### TACKINESS

*The Hydrotex tackiness elongation index is a measure of the adhesive-cohesive "stringiness" of a grease and indicates its ability to effectively travel through moving systems and create a protective coating.*

## REDUCES WEAR

The 4-Ball Wear Scar Test measures how well a grease lubricates and protects components against wear. Ruby-Tac 220 provides best-in-class wear protection.

## For optimal results, use with:

### HY-TORQUE®

Hy-Torque Universal Power Transmission Fluid features expertly balanced friction properties to prevent chatter and reduce wear and tear on your equipment. Excellent wear protection, thermal and oxidative stability, and protection against corrosion make Hy-Torque the perfect lubricant for your hydrostatic transmission, differential, final drive, wet brake, wet clutch and hydraulic equipment.

## HIGH TEMPERATURE PERFORMANCE

The dropping point is the temperature at which a grease transitions from semi-solid to liquid and it is one indication of a grease's heat resistance. Ruby-Tac 220 exceeds competitor dropping points.

- Improve Reliability
- Increase Uptime
- Optimize Efficiency

## About Hydotex®

Hydotex is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to help improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

## The Hydotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydotex is notified, in writing, within 12 months of the date of the order by the customer.
